

WHYS *of* WORSHIP

Part 2: Colossians 3:16

Sermon Questions:

1. Pray
2. Read Colossians 3:16
3. Do you have any particular songs that can “transport you to another place and time”? A song from high school that makes you remember high school? A song from your wedding that makes you remember your wedding? etc.
4. What is your attitude toward singing at church? Do you consider this something “lesser” than the sermon? Do you consider this something for only the “gifted”?
5. The Word of God should influence all our singing in the church. What are some ways you can have the Word of God illuminate the words we are singing more for you?
6. How have you seen singing unite groups of people before (both inside and outside the church)?
7. What are some ways music and singing AMPLIFY your experience?
8. What are some ways you have had Christian music encourage your soul in a time of difficulty or stress?
9. What is one particular application you took away from this passage/ message?
