

# WHYS *of* WORSHIP

## **Part 4:** *Luke 22:14-20*

### Sermon Questions:

1. Pray
2. Read Luke 22:14-20
3. What are some examples you can think of where fellowship is enhanced when a meal is shared together? Have you ever thought of communion as a time of fellowship with the Lord and His people?
4. Jesus replaces the meaning of the bread and cup from the Passover meal with new symbolism in the New Covenant ... representing His body and blood that were broken and shed for us so that we might be reconciled to God. Believers are to celebrate this meal often until Jesus comes again! What has been your experience with communion over the years? Has it been a positive experience? Negative? Anticipated? Avoided?
5. After our study today, what questions do you still have about Communion?
6. 1 Corinthians 10-11 make clear the importance of Communion being an expression of unity with a local church family, not just a private event for personal devotion. What are some ways you can have the celebration of Communion remind you of your connections with others in the Body of Christ.
7. What is one particular application you took away from this passage/ message?
