

SHINE (part 3)

Romans 15:14-24

Sermon Questions:

1. Pray! Start your discussion this week with prayer requests.
2. Read Romans 15:14-24.
3. Have you ever seen the connection between evangelism and priesthood? How does sharing the gospel with someone *mediate* God to them?
 - What would it look like for you to embrace your role as an evangelistic priest?
4. Paul wanted to shine in the darkness – specifically in places that didn't have enough believers to reach that area (today these are classified as "unreached people groups"). Why is it important for mission efforts to be directed to these unreached areas?
5. Consider reading Matthew 28:18-20 and Revelation 7:9-10. What connection do you see between the mission Jesus gives His church and this inevitable future event?
 - Why is it tempting to be content where Christ is already known?
6. Have you ever recognized the unique opportunity for the gospel to go out to the world through the University campus? What is exciting about this possibility?
7. How can you shine strategically where God has placed you? Is there anyone you can PRAY for, INVITE into your life, or GIVE to?
