

LAUNCH DAY (part 3)

Luke 4:38-44

SERMON QUESTIONS:

1. Pray
2. Read Luke 4:38-44
3. What are some of the things you pray for the most? Do you find yourself praying often for physical afflictions (illnesses for you and those you know)? Why do you think diseases are such common requests in our prayers?
4. In today's verses, Jesus demonstrates a number of things about His abilities/authority over disease. What stands out to you most about His interaction with Peter's mother-in-law and the other sick of Capernaum?
5. How does knowing the certainty of the healing of our infirmities in eternity, encourage you today?
6. Who are some suffering from illness that you can bring before the Lord in prayer today?
7. The Nazarenes wanted to kill Jesus, but the people of Capernaum wanted to corral Him (stay here and take care of us only!) Jesus was not killed in Nazareth or killed in Capernaum because He had a global movement to launch. Have you ever had an attitude toward Jesus that was self-focused (wanting to corral Him for your own benefit) instead of sharing Him with others? What would it look like to be generous with the Gospel both locally and globally today?
8. What stands out to you most from this message? Any particular takeaway?
